## Traditional Dishes

You may notice the absence of some favourite dishes such as Lamb Dupiaza, Chicken Vindaloo and others. These dishes form part of the extensive range of food that we offer and we shall be delighted to cook them for you. Their omission from this menu is solely due to lack of space. If there is any dish not shown on the menu that you would like, please ask your waiter who will be pleased to take your order.

The  symbol denotes dishes that contain nuts or nut derivatives. Some of these dishes may be prepared without nuts. Should you be allergic to nuts and are unsure of what to order, please ask your waiter who will be pleased to advise.

Also, for your guidance, a red chilli  denotes a hot dish and two red chillis  denote a very hot dish.

## Food Allergies and Intolerances

Please speak to our staff about the ingredients in your meal, when making your order. If you require information regarding the presence of allergens in any of our food or drinks, please ask your waiter who will be happy to provide this information.
